

Degreaser G[®]

Degreaser

DEGREASER G[®] is a powerful concentrated liquid degreaser formulated to remove grease, oil and fatty residues from surfaces.

- Fast acting degreaser • Effectively removes fat, grease, and burnt-on carbon deposits from oven, waffle iron, griddle, grills, exhaust, pots & pans, various kitchen equipment, and floors • Can declog drains and grease traps with continuous use • Biodegradable • No caustic soda included • No harsh fumes

General Use Instructions:

For light soil, use at 1-5% concentration.

For heavy soil, use at 6-10% concentration.

Note: Increase or decrease concentration will depend on the toughness of the soil to be removed. Use as is for specific cleaning purposes*.

For OVEN/GRILL

1. Spray the solution onto the grill or surface and allow to react for up to 10-30 seconds before brushing. Rinse well.

For OILY FLOORS & WALLS

1. Sweep or remove greasy residue and soil from surface.
2. Apply the cleaning solution on the surface of the floor using mop.
3. Mop rinse and dry.

For FRYERS

1. Drain and filter oil.
2. Allow to cool at least below 55 °C.
3. Using ambient water, dilute DEGREASER G at 5 - 10%.
4. Let soak for 10-30 seconds. Boil or heat solution for 15 - 30 mins.
5. Drain the solution partially, leaving just enough solution for manual cleaning.
6. Use sponge to wash sides of fryer.
7. Rinse with clean water and drain.

*For GRIDDLE

1. Scrape off or remove grease and big chunks of soil.
2. Pour DEGREASER G (as is) onto surface.
3. Brush surface using a scrubbing pad until clean.
4. Rinse with ambient water.

*For WAFFLE IRON

1. Scrape off or remove grease and big chunks of soil.
2. Pour DEGREASER G (as is) onto surface.
3. Soak for 2 - 3 hours.
4. Remove solution and rinse with ambient water.

For specific dilution or application, please consult a Kalinisan Chemicals Representative.

Unscented
Available packaging:
1 Liter

First Aid Measures

Eye contact: Flush eyes with running water for at least 15 minutes. If irritation occurs, seek medical attention immediately.

Skin contact: Wash with running water for at least 15 minutes while removing contaminated clothing. If irritation occurs, seek medical attention immediately.

Inhalation: If irritation occurs, move affected person into fresh air. Seek medical attention immediately.

Ingestion: NEVER GIVE WATER TO AN UNCONSCIOUS PERSON. Do not induce vomiting. Rinse mouth and seek medical attention immediately.

Caution

Eyes: May cause irritation to eyes

Skin: May cause irritation to skin

Inhalation: No significant health effects

Ingestion: Irritating to mouth, throat and stomach

Handling and Storage

Handling: Wash thoroughly after handling.

Storage: Store in a tightly closed container. Store in a cool, dry well-ventilated area. KEEP OUT OF REACH OF CHILDREN.

Personal Protection

Eyes: Protective equipment not required. Use splash goggles if prolonged exposure to product.

Hands: Protective equipment not required

Skin: Protective equipment not required under normal use.

Inhalation: Protective equipment not required. Use adequate ventilation.
